

Stocking Drive for St. Luke's Mission of Mercy
Buffalo Dream Weavers

We are asking for your help on behalf of the Buffalo Dream Weavers. They have been helping St. Luke's Mission of Mercy as well as other groups who provide help to the needy in the City of Buffalo. I have been involved with this group for a few years now and highly recommend them as a selfless, well run charity. They conduct many "campaigns" throughout the year including a sock drive, warm clothes, books, Easter baskets, and Christmas stockings for the needy children in Buffalo. We have helped with both the Easter basket and warm clothing drive the past three years. Since it is hard to do one-on-one service due to the Covid epidemic, I am asking you, as Faith Formation participants to help this group with their Christmas Stocking collection. I thank you in advance for your assistance with this wonderful event.

Here are the details:

- You can make your own stocking or stockings or you can bring in requested supplies to fill a stocking.
- ***Your contributions can be brought in to the rectory or to the next two Faith Formation Sessions on October 24th and November 21st.***
- Filled stockings should include:
 - 1 - \$5 gift card from Tim Horton's, Burger King, or McDonald's
 - 1 gender neutral pair of socks
 - 2 candy canes
 - 2 gender neutral toys such as Pez, Play Doh, washable markers, colored pencils, crayons, coloring books, journals, kinetic sand, and small stuffed animals

And the king will say to them in reply, 'Amen, I say to you, whatever you did for one of these least brothers of mine, you did for me.' Matthew 25:40
