Dear Parents and Guardians,

I hope that your summer is going as well or better than you planned. I just returned from my volunteer teaching assignment with POMOST from Rzeszow, Poland and am ready to continue plans for the 2024-2025 Faith Formation year. I am very excited that we will be together for another year of growing in our Catholic Faith and developing a special relationship with Jesus.

Classes will remain as they were last year with one Family Faith Session, one catechist session, and one Family Mass a month. There may be a few extra events that will take place, but, you will be informed in plenty of time to make arrangements.

One thing that will change is the schedule of fees. We have decided to adjust our fees to better represent that of our Family of Parishes members. The fees for 2024-2025 will be:

\$75 for one student

\$110 for two students

\$135 for three or more students

These fees will include the sacramental programs for Reconciliation, Eucharist, and Confirmation. As always, please do not let finances be a reason to not register your child. Arrangements can be made to waive payment or make small payments throughout the year. Please call the phone number at the top of this letter and I will be sure to speak with you or get back to you if you leave a message.

Fill out the form and get it back to my office as soon as you can so that we can plan for the upcoming year.

God Bless.

Sharon
